

Bridge the Gap

Kevin Lamb Ministries is not only dedicated to preaching the Gospel of Jesus Christ, through the Anointing of the Holy Spirit but also is passionate to help those in need by sharing the love of Jesus Christ.

Bridge the Gap has three functions that only work when we together hand in hand help to make a difference and show the love of God.

Feed the Hungry: We feed the hungry regardless of who they are, no questions asked. Man, woman or child are given something to eat. They will not leave hungry!

Clothe: We have a variety of clothing for men, women and children who are less fortunate than others, including socks, shoes and hygiene products for both men and women in need.

Missions: Bridge the Gap also reaches out and supports ministries in the United States and other countries who provide literature and Bibles to those in need to help them learn about Jesus Christ.

Please become a partner today with Kevin Lamb Ministries and help Bridge the Gap, so that together we can show the love of Jesus Christ, make a difference in people's lives and advance the Kingdom of God.
